Math Mentor Will Return To Studies

Miss Margaret Miquelon, instructor in Mathematics, has a mathematics the University Urbana for the academic year, according to chairman Schilberg, who announced this

ship is a National Foundation stipend Miss Schilberg. on of advanced Miquelon expects Masters of Science Mathematics. Miss recently received of the award Mr. Joseph Landin, director of scholarships there.

Miquelon was graduated from Nebraska State College in Wayne, Neb. with a Bachelor's of degree in Mathematics and received a Master's degree in Aviation from Miami University in Oxford, Ohio.

Miquelon's experience has been two years at Park School and three years at Kennewick Senior High School year at College.

Miquelon says, "I rejoin CBC, the faculty but feel that opportunity as this in a life time."

Girls Apologize

"I'm sorry" the Associated Women announced they wish to for the recent "Kourt," which did to be the orderly planned.

'Out Of The Frying Pan' Set For Tonight To Sun.

Once more CBC will have the privilege of seeing theatre in the round as CBC's drama club presents their second venture of the year, "Out Of the Frying Pan." The comedy will be in the Student Lounge. Spectators' chairs will be placed on the band risers borrowed from the high school.

They include props for a rehearsal within the play.

The story has been called "a gay bit of nonsense." Three young men and three young women are sharing an apartment in New York. They are would-be stage folks and have been driven to this community scheme by the lack of economic security.

After four weeks of rehearsal migrations from room to room everything is now in order, according to Thomas Barton, director.

The electronics department, under the supervision of Frank Sweet, has been helping with the lighting and has added circuits so more spotlighting will be available in the lounge.

Wayne Pippit is working on the props, which are quite expensive for this presentation.

It is a whacky plan they have in mind, for the apartment they rent is immediately above that of a Broadway producer who has a hit running and is about to cast a road company. They rehearse the play which he is currently producing, but the problem is how to get him upstairs to see it. The plans are further complicated by the fact that a snippy young friend of one of the girls enters the picture and threatens to tell the girl's (Continued on Page 4)

Letters To The Editor

Dear Editor:

Since I've been at CBC I have noticed many things which I don't like. I have almost come to the conclusion that the students here should be sent back to high school to learn to grow up.

Some of the aggravating things I have noticed are the way students act in the Lounge. It seems to me that it is always the same 15 or 20 students that seem to be making the most disturbance.

One afternoon about 2 o'clock I was sitting with some fellows from Walla Walla. We heard a disturbance from across the lounge. What we saw was that some of our fellow students had started a fire with scraps of paper. They had piled up the paper and lit it.

Now I asked myself is this the way for college students to act. I thought this was a very foolish act. Nobody knows what would have happened if somebody's clothes had started to burn. It could have been a serious act of childishness.

I feel something should be done to see that no more of these little jokes continue. There is a need for disciplinary action to be taken by the Guidance Center. Students who act childish and continue to be careless in their choice of jokes, should be disciplined in some way or another.

I feel that if something is done about this sort of behaviour, then CBC will be a lot more fun for everybody.

Name Withheld on Request.

SAC President Sends SOS

The last bi-monthly Activity Council Meeting suffered from a lack of attendance. It is of utmost importance that each representative, or a temporary replacement, attend all meetings, according to council president Veronica Colby.

The stipulations for this attendance are as follows:

A representative can miss a total of three meetings (unconsecutive) or two consecutive. He is then put on probation. One more miss and the club is suspended from campus for the rest of the quarter. All privileges (budget, meetings, etc.) will be taken away. It will be reinstated at the beginning of the next quarter, all privileges restored. How-

ever, after two more misses the club will be suspended from campus for the rest of the school year.

According to these rules, SNEA and WRA can miss only one more meeting the rest of the quarter. The following organizations already have one absence: AWS, Biological Science, Choral Department, Drama, Frosh Class, Machine Tech., and Tektrons.

If you are responsible for your club's representation to the council, either be there or send a replacement, Miss Colby announces.

The next meeting is Tuesday, March 6 at 10 a.m. in Room C-115.

The Waste

By Stymied Soph

T. S. Elliot's poem above appellation is, least, seems to be, aptition of the present i.e., Sophomore Slump.

For the uninitiated, more Slump includes symptoms as: chronic, extreme inertia, hatred of the same old same room, same same dirt, tumble weeds, teachers and holes in road. In other words a nothingness and energy.

This precious (some) preceeds finals, term pre-registration, library paying, last minute letter scholarships, transfer recommendations, job oh - I - can't - get - w I - need - to - graduate continues through spring term, finals, job hunting. Matter of fact, some tions are that the plays mains until the junior year which time classes much harder one hasn't to be slumped.

Since the writer is involved there is little solution offered for the problem. have one, happy day! you don't - neither do. Perhaps some bright freshman could help us there's a thought...

Yakima Chosen For Next CCLC

Yakima Valley Community College will be the site 1982 Community College Leadership Conference.

Every year this conference is held to promote better school relations and to train and guide student leaders. Student body presidents, vice presidents, treasurers, and various officers attend from each of the state's 12 community colleges.

The date for the next will be May 18-20. For CBC students will attend conference. Many of the gates will be housed in new dormitories that were completed this year.

At the present time CBC Student Council doesn't know who will attend, probably this year's officers and the ones who will be elected in early May will get choice for CCLC.

Debate Team In Linfield

CBC's debate team goes to Linfield College for a meet on Thursday, Friday, and Saturday. Students from all over the Northwest and California are meeting at McMinnville, Oregon to participate in extemporaneous speech, extemporary speaking, oratory, radio speaking, salesmanship, interview, interpretive reading, impromptu speech, ads, and a special event.

The special event is based on ten quotations that the student has studied thoroughly. Just before he is to speak he will be given a choice of two of the quotations. Lincoln Douglas debate will also be featured.

CBC debater Ed Thompson is competing in radio, also a new event.

Twelve members of the team attending this 32nd annual meet are Lannie Wynia, Marvin Carstens, Julia Whitby, Tom Millsbaugh, Dennis Turnbull, Dick Ball, Mikki Briece, Ed Thompson, and Norman Murphy. They are being accompanied by advisors Joe Taylor and Lee Lane.

CBC will take part in the Junior Men's and Junior Women's divisions. The different fields are Debate 1, Extemp. 1, Oratory 1, Radio 1, Salesmanship 1, Interp. 8, Impromptu 4, and Special Event.

(Continued from Page 1)

father that she is living in what could most politely be called an unusual manner.

It happens that the producer is an amateur chef of considerable ability, and right in the middle of a culinary concoction he runs out of flour. He comes upstairs to borrow a cup. At last the kids have him in the house, and they aren't going to let him out until he sees some evidence of their ability. To impress him they stage a murder. It is so realistic that police swarm into the scene and the misunderstanding becomes hilarious when it is discovered the girl playing the corpse has been served a Mickey Finn.

What happens then? See the play and find out. It will be presented tonight, tomorrow and Sunday at 8:15. You need not miss the game to attend, and Mr. Barton suggests that to benefit from seeing both, get a ticket for the play for either

Neconia Progress Outlined; Photographer Returns Soon

More emphasis, to give an all around picture on student life will appear in the 1962 edition of the yearbook — Neconia.

A preview of the activities feature reveals a page picturing the self-styled men's pep club, and the short rooster with the large hat who appeared at a Hawk basketball game.

The drive to obtain individual pictures may be considered a relative success, as there have been 800 pictures taken of the 1500 students enrolled. The photographer will return to take pictures of students who were absent for the previous sitting.

In past years the pictures have been taken by student photographers, but this year the services of a professional were used.

Mikki Briece, editor, announces that no radical changes will be made in the format of the annual. It will, as in the past, contain a section devoted to each division of the college. Due to limited space each division will be allowed one page. There will be one full-color page with the end pages appearing in black and white. The cover of the book will be outstanding, Mikki stated.

Sale of annuals will continue until the time they arrive, which is set for sometime in May. Four hundred and fifty yearbooks have been ordered at this time, but additional ones will be ordered if it is necessary. Annuals will be on sale in the Student Lounge during registration week of spring quarter or they may be ordered from any one of the staff members. The price is \$5.00, but if some students can't pay the entire

tonight or Sunday.

The cast in order of appearance is: George Bodell, Mike McKeown; Norman Reese, John Hall; Mrs. Garnet, Rusty Kenney; Tony, Dave Miller; Muriel, Sherri Dudley; Kate, Dianne Bentson; Marge, Wanita Dunbar; Dottie, Gladys Faulds; Mr. Coburn, John Richardson; Mr. Kenny, Fred Culverhouse; Mac, Dan Downs; Joe, Stan Woody.

Student director is Pete Bradley.

amount, they may pay down and the balance they receive the book.

Last year the books was very poor to a 550 were sold body of 1200 It sales this year stantial increase last year.

Grads Do Well As Transfers At Pullman

The Dean of Men, Dean of Women, Dean of Student Guidance Director visited former CBC students now attending Washington State and University of Washington in order to help them find out how CBC is a bigger institution.

At Pullman there was an informal evening of punch and cookies. Former student Dan McMillan, former student body president, Laurene Hayes, who is five in Phi Theta Kappa on the Junior Executive at Washington State, stated that they had all very well.

Other grads are: Cowell, Carol Jung, Eisenbarth, Fred, Burton (enrolled in a math course), Mike, Dave Clark, and John Eddy.

All stated that they are doing fine scholastically and CBC helped them tremendously. Three of the women stated that the biggest adjustment they faced was getting a dormitory by 10:30.

At the UW, the former members had a chapter of the Student Union. They pressed wishes that CBC have a student union. It provides a center for activities without interfering with classes.
